Electricity is not available. Vendors requiring power may bring their own QUIET generator (under 60 decibels)

All vendors bringing a generator must sign the following statement and agree to the generator guidelines:

- I understand and agree that I may only operate a generator that conforms with the festival guidelines as follows: only "quiet generators" will be allowed at the festival.
- The definition of quiet generator = under 60 decibels.
- Any vendor operating a generator that does not conform with these guidelines will not be allowed to operate at the festival and no refund will be given.

Festival Vendor Application Guideline Information Terms and Conditions
